Architectural Review Board (ARB)

Per our BRW Covenants, the Architectural Review Board (ARB) is charged with maintaining continuity and aesthetic harmony throughout the entire community as a whole.

Please be reminded that any and all exterior structure, landscape and hardscape changes, additions and/or deletions must be submitted for Architectural Review. You may submit your request for approval via email to **sbeard98@gmail.com** or contact one of the ARB committee members listed below. Each request must be in writing and accompanied by a drawing outlining the details of the desired changes. These requests must be made and approval confirmed prior to beginning any work.

Painting Requests: Attach swatch color with manufacturer, paint number or name, type of paint finish.

Landscape/Hardscape Requests: A sketch showing the proposed placement of landscape plants and materials. Provide a list of plants to be removed and/or plants to be added, excluding flowers.

Exterior Structural Changes or Additions: Please send a detailed drawing, including proposed exterior materials and colors.

Satellite Dish: Submit plans on location to ARB before installing dish.

Responses and approval to your ARB requests will be provided once all needed information is submitted. Please allow two business days.
